

Michel Grand

Director

Swiss
Single

A proficient and rigorous decision-maker, I advocate socially responsible management. A fine negotiator, creative and flexible, I motivate and communicate with my internal and external partners, as well as my beneficiaries, with respect, empathy, humility and diplomacy. A man of values with a keen sense of service for excellence, I build around me a fair, equitable, sustainable and united environment. I attach a great importance to continuous improvement, education and innovation.
